Dear Mr. Libner,

On behalf of the Dave Cole Classic Golf Tournament committee and the staff and volunteers of the American Red Cross, thank you and KDE Enlightenment, LLC very much for your donation of **150 cooling towels with the Red Cross Logo** in support of our 2011 tournament.

The tournament continues to be popular and this year's tournament at the beautiful Stonewall Golf Club on Lake Manassas was exceptional. The weather was beautiful, the course was breath-taking, the service was wonderful and our players gave very positive feedback about the experience. Importantly, because of the support we received from sponsors and participants like you, we earned almost \$38,000 in revenue.

The funds we raised will help to ensure that the Red Cross will be able to meet the ever-increasing needs of the communities we serve, including free 24-hour disaster relief, Services to Armed Forces for members of the military and their loved ones, preparedness education, international tracing service, dozens of health and safety courses and blood services.

June 1 brought the official beginning of this year's Atlantic hurricane season. The American Red Cross urges people to make preparations for this year's hurricane season and other weather related emergencies now. For more information on how to prepare for hurricane season and other emergencies as well as our health and safety course offering, please visit [www.redcrossnca.org](http://www.redcrossnca.org). Highlights on the Dave Cole Classic we also be posted on this site.

Again, thank you for your support of this important fund raising event. We look forward to partnering with your organization again at our 11<sup>th</sup> golf tournament.

Sincerely,
